Mahesh Ghongade

Full Stack Developer @ CodeMBS | PHP | SQL | HTML | CSS | JavaScript | React | Database Management System | C | Java | Python

Amravati, Maharashtra, India

Summary

I am currently pursuing my Bachelor of Engineering degree in Computer Science Engineering from P. R. Pote College of Engineering & Management, Amravati, where I have participated in various project exhibitions and competitions. I am always eager to learn new skills and explore new challenges in the field of web development.

Experience

CodeMBS

Full Stack Website Developer

December 2023 - Present (2 months)

Amravati, Maharashtra, India

Responsibilities :

1. Spearheaded the development of a cutting-edge Portfolio Website Generator platform catering to both college students and working professionals.

2. Collaborated seamlessly with cross-functional teams to seamlessly integrate a secure payment method into the platform.

3. Implemented robust security measures, including two-factor authentication through OTP generation, ensuring a safe and reliable user experience.

4. Continuously strive to enhance the platform's capabilities and user experience through ongoing collaboration and innovation.
